PC 21142 Morant and PCSO 16170 May are responsible for Ashford, Bickton, Burgate, Criddlestyle, Fordingbridge Town, Horseport and Sandleheath.

Unfortunately the Fordingbridge office is not open to the public and we are unable to take crime reports or receive found property.

Front counters are available at: **Totton, Lyndhurst, Lyminster** – see website for opening hours.

Remember, in an emergency always call 999: This is when you need an immediate response because: a crime is in progress, someone suspected of crime is nearby, there is danger to life, if violence is being used or threatened.

More than half of the 999 calls we receive do not relate to an emergency and could potentially delay police response to an urgent situation elsewhere.

Please use common sense. If your situation doesn't require immediate police action, although it's nevertheless important you should phone **101**, for example:

- to report a crime that doesn't need an urgent response
- to give us information about crime in your area
- for general advice, information and feedback on police matters
- if you'd like to speak to your local police officer
- to find out about beat surgeries or other police events in your area
- to get an update on a crime if you have been a victim
- to arrange a visit by an officer.

Please sign up to www.hampshirealert.co.uk to receive up to date Alerts regarding crime and incidents or interest in the Fordingbridge and surrounding areas.
