7. To consider new Planning Applications

17/10269	43 SALISBURY ROAD, SP6 1EH	Mr Brown
Single-storey rear extension; front porch; fenestration alterations; flue; detached garage		
<p>Cllr Lewendon reported on the application. The Fordingbridge Society had no comments.</p> <p>Cllr Anstey proposed and it was seconded by Cllr Earth and therefore RESOLVED: to recommend PERMISSION under PAR3 as there will be minimum impact on the street scene and no adverse effect on residential amenities. All in favour</p>		

17/10203	UNIT 1, 71 HIGH STREET, SP6 1AS	Mr Green
Use as shop & chiropodist practice		
<p>Cllr Earth reported on the application – members noted that no structural alterations were planned as part of the proposal. The Fordingbridge Society had no comments.</p> <p>Cllr Perkins proposed and it was seconded by Cllr Lewendon and therefore RESOLVED: to recommend PERMISSION under PAR3 as the proposal makes good use of an empty shop.</p>		

The applicants for application 17/10203 left the meeting.

17/10297	AVON MANOR, BURGATE COURT, SALISBURY ROAD, BURGATE, SP6 1LX	Larasian Limited
Detached double garage		
<p>Cllr Wilson reported on the application. Members raised concerns over the scale of the building, it's location immediately adjacent to the highway and the impact on neighbours, the street scene and the open countryside. 1 neighbour objection has been made over concerns of increased traffic noise. The Fordingbridge Society do not support the application and do not like the positioning immediately adjacent to the highway.</p> <p>Cllr Hale proposed and it was seconded by Cllr Anstey and therefore RESOLVED: to recommend REFUSAL under PAR4 as the proposed building is too tall to be located immediately adjacent to the road and would have a negative impact on the street view and neighbouring property.</p>		

17/10137	43 ALLENWATER DRIVE, SP6 1RB	Marshallsay & Ford
Single-storey rear extension; reposition boundary fence		
<p>Cllr Anstey reported on the application and advised that the site is located in a built up area and that the applicant had received pre-application advice. Concern has been raised over the height of the proposed fence and impact on visibility when exiting the driveway of number 45 Allenwater Drive. The Fordingbridge Society had no comments.</p> <p>Cllr Earth proposed and it was seconded by Cllr Hale and therefore RESOLVED: to recommend PERMISSION under PAR3 as the extension will have no negative impact; the repositioning of the fence is also supported as it appears that visibility will be maintained when exiting from the driveway of 45 Allenwater Drive as the proposed fence line is approximately 2m back from the highway.</p>		

Re-consultation – Amended Plan		
17/10222	Land At Rear Of 4-12, Shaftesbury Street, SP6 1JF	Crownshade Ltd
House; boundary wall; pedestrian access		
<p>Cllr Fulford reported on the amended plans received which changes (raises) the pitch of the roof on one elevation. Cllr Fulford advised that the revisions do not address the previous concerns raised by the Town Council regarding distance from the neighbouring properties (4-12 Shaftesbury Street) access (frontage onto car park), loss of public long stay car parking space and lack of provision of parking for a disabled person (proposed dwelling is intended for occupation by a lesser able bodied person). Concern was previously raised regarding how construction traffic would access the site. Local residents have raised concern over surface water and foul drainage, NFDC drainage section do not appear to have been consulted.</p> <p>Concern was expressed over the drawings submitted and lack of detail available (drawings are not annotated with measurements and advice is given not to scale from the drawings)</p> <p>The Chair then invited local residents to speak who reiterated their previous concerns over site levels and flooding, foul drainage, proximity to existing properties and scale of the proposal. Further query was raised over the loss of a public parking space and how the applicant could “buy” a parking space, sets a precedent. The scheme is regarded as demonstrating tardiness and ignorance of the area and issues that exist and will be created by the proposal.</p> <p>The Fordingbridge Society added that more than 1 public parking space may be lost to accommodate the scheme.</p> <p>Cllr Price proposed and it was seconded by Cllr Hale and therefore RESOLVED: to recommend REFUSAL under PAR4 as the proposal is out of character due to scale of the dwelling on this small site, loss of public long stay car parking, lack of provision of parking for the occupier of the proposed dwelling (less able bodied – disabled parking) and the overcrowding impact on the properties 4-12 Shaftesbury Street.</p>		

Members of the Public left the meeting

17/10388	WILLOW COTTAGE, BICKTON LANE, BICKTON, SP6 2HA	H Gill
One & two-storey rear extensions		
<p>Cllr Hale reported on the application. The Fordingbridge Society had no comments.</p> <p>Cllr Anstey proposed and it was seconded by Cllr Wilson and therefore RESOLVED: to recommend PERMISSION under PAR3 as the proposal will have no adverse impact on the street scene or residential amenities and is an improvement to the property.</p>		

17/10350	9 MOXHAMS, SP6 1JE	Mr & Mrs Pottinger
Dropped kerb and Access gate (PART RETROSPECTIVE)		
<p>Cllr Perkins reported on the application. Members raised concern that the proposal appears to include the pavement area within the red line site. It is noted that the Highway Authority have not been consulted. The proposal is considered inappropriate in this area, as a secondary vehicular access and using an area provided as a turning head to the cul-de-sac. 1 objection has been received from the adjacent neighbour.</p> <p>The Fordingbridge Society are in agreement with the Town Council’s concerns and had no further comments to add.</p>		

Cllr Anstey proposed and it was seconded by Cllr Wilson and therefore **RESOLVED**: to recommend **REFUSAL** under PAR4 as the design of the gate is inappropriate in this setting in a conservation area and concern over the inclusion of the public footway within the scheme and lack of consultation with the Highway Authority.
