

## Christmas In Fordingbridge

Fordingbridge Town Council has taken the difficult decision to cancel the annual 'Christmas In Fordingbridge and Christmas Light Switch On' event due to the COVID 19 pandemic. We are extremely disappointed that this wonderful and popular community event cannot take place this year however, as the virus continues to be present, the safety of the community is paramount.

Fordingbridge Town Council will still provide the town's Christmas Lights this year which will be illuminated from Saturday, 14th November 2020. This year we have invested in new and improved Christmas lights which we are sure will provide a resplendent and festive display. We will continue to work with our local independent retail and business owners, to bring you Christmas In Fordingbridge. **'Keep The Heart Beating In Fordingbridge'** this Christmas is the essence of the campaign to encourage everyone to shop locally and purchase gifts and Christmas supplies in the town, from our fantastic array of shops and services. Free parking is available on December 5th, 12th, 13th, 19th and 20th so come into Fordingbridge and **'Keep The Heart Beating'**.

Keep an eye out on the Town Council's website and social media for updates and festive events.
